RECOMMENDED SUPPLEMENTAL TEXTBOOKS FOR JOINT USAGE

Subject Name & Textbook Name	Publisher Name	Thorough Explanation of the Extra Costs to PISD
Elementary Mathematics Investigations in Number, Data, and Space, 2 nd edition	Pearson Scott Foresman	This textbook series is recommended to supplement the enVision - TEXAS program and is supported as part of the state adoption. The student activity books for <i>Investigations</i> are provided for one year free of charge. Subsequent years require purchasing from the vendor or printing in-house. The activity books are consumable at each grade level.
OPTION 1		Purchase supplemental activity books from the Publisher
OPTION 2		In-house printing of supplemental activity books
OPTION 3		No supplemental activity book use

DISTRICT TEXTBOOK ADOPTION COMMITTEE

We recommend the subcommittees' textbook selections to the PISD Board of Trustees.
