

Dear Plano ISD Alumni:

The Plano spirit runs proud in the Plano Independent School District, which has spent the last 100 years preparing students for a competitive workplace, building enduring friendships and changing the community. As alumni, you share a special bond with your many classmates from memories of overnight camp, football games, late night study sessions, open campus lunches and high school dances. Indeed, your public education, helped lay the groundwork for the future you now live.

The Plano ISD Education Foundation is embarking on a new initiative to reacquaint graduates with the district. The Plano ISD now has three senior high campuses and graduates more than 3,500 seniors each year. We invite you to join the inaugural reunion class project and help us continue the legacy of excellent education for the current 54,000 students of Plano ISD. This year the Foundation will unveil an alumni newsletter and website to begin reuniting alumni and the Plano ISD. We encourage you to sign up for the newsletter and to visit the website for information regarding reunions and current Plano ISD happenings.

In addition, we are offering a challenge to all past classes of the Plano ISD. We are asking that all class reunions incorporate a giving challenge to fellow alumni to contribute to the Plano ISD Education Foundation. The funds donated will be acknowledged as a class gift and will be used for 5th grade camp scholarships to allow all current Plano ISD students to build the memories that are so fondly cherished by past classes. The challenge is easy—each class is asked to encourage classmates to make a contribution of the amount equal to their class reunion, for example, 10 year reunions are asked to donate \$10 and 25 year reunions \$25 and so on. The donation may be added to your reunion sign up form or may be posted on your Facebook pages with a link for online giving. As we begin to build the legacy of giving among our alumni, we are excited about the potential to impact the students of the Plano ISD. Your class can make a difference today.

We look forward to meeting and working with your class as you embark on this class challenge. We hope to hear from you regarding news you would like to receive and other important information we can provide. Together we can make a difference in the Plano ISD.

Sincerely,

Beth Webb
President, PISD Alum
