

**Plano Independent School District
Policy # 122422**

Please read carefully the following description of your Unum Educator Select Income Protection Plan insurance.

Your Plan

Eligibility

You are eligible for disability coverage if you are an active employee in the United States working a minimum of 25 hours per week. The date you are eligible for coverage is the later of: the plan effective date; or the day after you complete the waiting period.

Guarantee Issue

Employees hired on or after 1/1/2007: Coverage is available to you without answering any medical questions or providing evidence of insurability. You may apply for coverage within 60 days after your eligibility date. If you do not apply within 60 days after your eligibility date, you can apply only during an annual enrollment period.

Benefits are subject to the pre-existing condition exclusion referenced later in this document.

Please see your Plan Administrator for your eligibility date.

Benefit Amount

You may purchase a monthly benefit in \$100 units, starting at a minimum of \$200, up to 66 2/3% of your monthly earnings rounded to the nearest \$100, but not to exceed a monthly maximum benefit of \$7,500. Please see your Plan Administrator for the definition of monthly earnings.

The total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 100% of your monthly earnings unless the excess amount is payable as a Cost of Living Adjustment. However, if you are participating in UnumProvident's Rehabilitation and Return to Work Assistance program, the total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 110% of your monthly earnings (unless the excess amount is payable as a Cost of Living Adjustment).

Your disability benefit will be reduced by deductible sources of income and any earnings you have while disabled. Your gross disability payment will be reduced by such items as disability income or other amounts you receive or are entitled to receive from workers compensation or similar occupational benefit laws, sabbatical or assault leave plans, the amount of earnings you receive from an extended sick leave plan as described in Louisiana Revised Statutes or any other act or law with similar intent. After you have received monthly disability payments for 12 months, your gross disability payment will be reduced by additional deductible sources of income you receive or are entitled to receive under: state compulsory benefit laws; automobile liability and no fault insurance; legal judgments and settlements; certain retirement plans; salary continuation or sick leave plans; other group or association disability programs or insurance; and

amounts you or your family receive or are entitled to receive from Social Security or similar governmental programs.

Regardless of deductible sources of income, an employee who qualifies for disability benefits is guaranteed to receive a minimum benefit amount of the greater of \$100 or 10% of the gross disability payment.

Continuity of Coverage

If you are actively at work at the time you convert to Unum's plan and become disabled due to a pre-existing condition, benefits may be payable if you were:

- in active employment and insured under the plan on its effective date; and
- insured by the prior plan at the time of change.

To receive a payment, you must satisfy the pre-existing condition under the Unum policy or the prior carrier's policy. If you satisfy Unum's pre-existing condition provision, payments will be determined by the Unum policy.

If you only satisfy the pre-existing condition provision for the prior carrier's policy, the claim will be administered according to the Unum policy. However, the payments will be the lesser of the benefit payable under the terms of the prior plan or the benefit under the Unum plan. The elimination period will be the shorter of the elimination period under the prior plan or the elimination period under the Unum plan. Benefits will end on the earlier of the end of the maximum period of payment under the Unum plan or the date benefits would have ended under the prior plan.

Definition of Disability

You are disabled when Unum determines that:

- you are limited from performing the material and substantial duties of your regular occupation; and
- you have a 20% or more loss in indexed monthly earnings due to the same sickness or injury.
- After benefits have been paid for 24 months, you are disabled when UnumProvident determines that due to the same sickness or injury, you are unable to perform the duties of any gainful occupation for which you are reasonably fitted by education, training or experience.

You must be under the regular care of a physician in order to be considered disabled.

Gainful Occupation

Gainful occupation means an occupation that is or can be expected to provide you with an income within 12 months of your return to work, that exceeds 80% of your indexed monthly earnings if you are working or 60% of your indexed monthly earnings if you are not working.

Return to Work/ Work Incentive Benefit

Unum supports efforts that enable a disabled employee to remain on the job or return to work as soon as possible. If you are disabled but working part time with monthly disability earnings of 20% or more of your indexed monthly earnings, during the first 12 months, the monthly benefit will not be reduced by any earnings until the gross disability payment plus your disability earnings, exceeds 100% of your indexed monthly earnings. The monthly benefit will then be reduced by that amount.

Elimination Period

The Elimination Period is the length of time of continuous disability, due to sickness or injury, which must be satisfied before you are eligible to receive benefits.

You may choose an Elimination Period (injury/sickness) of 7/7, 14/14, 30/30 or 90/90 days.

If, because of your disability, you are hospital confined as an inpatient, benefits begin on the first day of inpatient confinement. Inpatient means that you are confined to a hospital room due to your sickness or injury for 23 or more consecutive hours. (Applies to Elimination Periods of 30 days or less.)

Benefit Duration

Your duration of benefits is based on your age when the disability occurs.

Plan: ADEA II/3 YR ADEA: Your duration of benefits is based on the following tables:

For disabilities due to injury:

<u>Age at Disability</u>	<u>Maximum Duration of Benefits</u>
Less than age 60	To age 65, but not less than 5 years
Age 60-64	5 years
Age 65-69	To age 70, but not less than 1 year
Age 70 and over	1 year

For disabilities due to sickness:

<u>Age at Disability</u>	<u>Maximum Duration of Benefits</u>
Less than age 67	3 years
Age 67 through 68	To age 70, but not less than 1 year
Age 69 and over	1 year

Federal Income Taxation

All premiums are paid with post tax dollars for employees of Plano Independent School District. The taxability of benefits depends on how premium was taxed during the plan year in which you become disabled. If you paid 100% of the premium for the plan year with **post-tax** dollars, your benefits **will not** be taxed. If premium for the plan year is paid with **pre-tax** dollars, your benefits **will** be taxed. If premium for the plan year is paid partially with post-tax dollars and partially with pre-tax dollars, or if you and your Employer share in the cost, then a portion of your benefits will be taxed.

Additional Benefits

Worksite Modification

If a worksite modification will enable you to remain at work or return to work, a designated Unum professional will assist in identifying what's needed. A written agreement must be signed by you, your employer and Unum, and we will reimburse your employer for the greater of \$1,000 or the equivalent of two months of your disability benefit.

Rehabilitation and Return to Work Assistance

Unum has a vocational Rehabilitation and Return to Work Assistance program available to assist you in returning to work. We will make the final determination of your eligibility for participation in the program, and will provide you with a written Rehabilitation and Return to Work Assistance plan developed specifically for you. This program may include, but is not limited to the following benefits:

- coordination with your Employer to assist your return to work;
 - adaptive equipment or job accommodations to allow you to work;
 - vocational evaluation to determine how your disability may impact your employment options;
-

-
- job placement services;
 - resume preparation;
 - job seeking skills training; or
 - education and retraining expenses for a new occupation.

If you are participating in a Rehabilitation and Return to Work Assistance program, we will also pay an additional disability benefit of 10% of your gross disability payment to a maximum of \$1,000 per month. In addition, we will make monthly payments to you for 3 months following the date your disability ends, if we determine you are no longer disabled while:

- you are participating in a Rehabilitation and Return to Work Assistance program; and
- you are not able to find employment.

(This benefit is not allowed in New Jersey.)

Dependent Care Expense Benefit

If you are disabled and participating in Unum's Rehabilitation and Return to Work Assistance program, Unum will pay a Dependent Care Expense Benefit when you are disabled and you provide satisfactory proof that you:

- are incurring expenses to provide care for a child under the age of 15;
- and/or start incurring expenses to provide care for a child age 15 or older or a family member who needs personal care assistance.

The payment will be \$350 per month per dependent, to a maximum of \$1,000 per month for all dependent care expenses combined.

Waiver of Premium

After you have received disability payments under the plan for 90 consecutive days, from that point forward you will not be required to pay premiums as long as you are receiving disability benefits.

Conversion

If you are covered under your group's disability plan for 12 consecutive months and you end employment, you may be eligible to convert your disability coverage to coverage under Unum's group conversion policy. The conversion coverage may not be the same coverage offered under your employer's group plan and there are certain times that you may not convert your coverage. Please see your certificate booklet for details.

With one phone call anytime of the day or night, you, your spouse and dependent children can get immediate assistance anywhere in the world³. Emergency travel assistance is available to you when you travel to any foreign country, including neighboring Canada or Mexico. However, spouses traveling on business for their employer are not covered by this program.

Survivor Benefit

Unum will pay your eligible survivor a lump sum benefit equal to 3 months of your gross disability payment.

This benefit will be paid if, on the date of your death, your disability had continued for 180 or more consecutive days, and you were receiving or were entitled to receive payments under the plan. If you have no eligible survivors, payment will be made to your estate, unless there is none. In that case, no payment will be made. However, we will first apply the survivor benefit to any overpayment which may exist on your claim.

You may receive your survivor benefit prior to your death if you are receiving monthly payments and your physician certifies in writing that you have been diagnosed as terminally ill and your life expectancy has been reduced to less than 12 months. This benefit is only payable once and if you elect to receive this benefit, no survivor benefit will be payable to your eligible survivor upon your death. (Note this "Accelerated Survivor Benefit" is not available in Connecticut.)
